

FINAL SHOOTOUT!

DVD

Remo Racing, Australian Importer of the IAME Leopard engine and promoter of Karting's National Toyota IAME Leopard Series is proud to announce its TV coverage for the 2008 Leopard Final Shootout held at the 1053 metre Dubbo Kart Racing circuit on 24th to 26th October.

The DVD will include Pre-Final heats and Finals in their entirety of both Leopard Light and Heavy classes. The multi-camera television broadcast quality production will be presented by David Tapp Power Productions Sports Television with commentary by re-known sports journalist Shaun Cleary.

Supported by some of Australia's best drivers including current National and State Champions, the production features all the racing action from one of Australia's most prestigious annual events; it will include in-depth interviews with drivers and promoters, a cover story on "what is a Leopard Kart"? and much more. There are 3 cameras around the circuit plus 4 on-board camera's that will be utilised on multiple karts throughout the event capturing all the action on-board.

There will be 2 one hour shows on FOX SPORTS 2. It will screen on Monday 10:00pm November 3rd and replayed in full the following morning at 9:00am Tues November 4th. Check TV guides for details.
